

# **Goddard Instrumental Music 2007 - Spring Plant Fund Raiser**

The traditional Band & Orchestra Spring Plants fund raiser for students in 7th through 12th grades, begins **Friday, February 9**, and ends **Monday, February 19**. Students will be selling annual and perennial flowers, geraniums, hanging flower baskets, and some vegetables.

**New this year** is a 10 inch terracotta colored **decorative urn** with a *mixed combination of 3-4 different plants* (mostly flowering) and designed to grow in the sun. It is priced at only \$18.75 like our hanging baskets. Other additions, by popular demand, are **watermelon, cantaloupe, and everbearing strawberry plants** all at just \$1.00.

This has been an excellent fundraiser in the past and is a great way to build your student's account. Remember, 50% of your student's total sales (after taxes are taken out) will go directly into his/her instrumental music student account.

**Payment must accompany all orders.** Checks or money orders should be made payable to Instrumental Music Boosters. All orders and payment *must* be turned in to the band or orchestra instructors no later than *Monday, February 19*.

*If you will be picking up several orders to deliver to your customers, please combine them into one large order* to make pick up time quicker and easier for both you and the helpers. Please put **a check in the box** on the order forms for **student will pick up** or **customer will pick up**.

- Call each of your customers picking up their own plants and remind them to pick up their order at the high school during the times assigned to your school.
