Volunteers are needed for crafts and activities. Please contact Dale Kohlman at 722-7036 or turtlekohlman@yahoo.com to volunteer.

Camp Registration

We still have a couple of Dens who have not decided on which camp they will be attending. We need to have the funds in by the March Pack Meeting. Shawn Chambers will send an e-mail to Leaders to let them know how much they owe.

Den 5, 11, 12, and 15 still need to contact Shawn Chambers on their camp preference. Webelos camp needs to be reserved with full payment made this year.

Passport to Adventure will be e-mailed to Leaders. It contains information about the camp as well as a list of what scouts need to bring.

Leaders - Don't forget to keep the health forms and make an extra copy of the reservation form for yourself.

It hadn't been discussed at the last meeting but there is still speculation concerning a prize for the decorated box

Prizes for the cars will be judged prior to the event. However the Boys Choice Award for each Den will be voted by the boys in the Den. Ties will be broken by a Leader

Food available will be light snack items such as donuts and muffins. Beverages will also be available

Help is needed to set up the track on Friday the 11th. Please come to the Ascension Lutheran Church at 6:30 p.m. to help with the set up.

We are pursuing options to get a new track. We have discussed sharing expenses of a track with Pack 776. Suggestions include a joint spring event or fundraiser to raise the money needed. We estimate about \$700.

There were 9 Silver Beavers. Four of them were from our district

Dale Kohlman will serve as Day Camp Director this year at Camp Hiaiwatha. He has volunteered to do three camps.

Although we were not listed for the District award in the newsletter we did earn the award. This oversight has been corrected.

Ken and Heather Blankenship will be holding a school night on the 1st Thursday in May at 7 p.m. Please be available to help.
