Committee Meeting June 3, 2005

Finance Report: Dale Kohlman

The account currently has a balance of \$2,083.06. We also have a balance available at the Council of approximately \$300.

Summer Activities:

June 11, 9 a.m. to 1:00 p.m. Bike Rodeo
Ascension Lutheran Church

There will be displays in the church. Tire changing will be one of the displays. Police will be on hand to register bikes. We will also have someone from the police bike patrol present. You can test your skills. Pack 776 has been invited to join us in this event. We will have a pop-up canopy for our First Aid Station. Coolers of water will be available. Bike and helmet inspections will be conducted. We are looking for volunteers to help at the greeting station and also to help set up. The layout will be an obstacle course. Helmets are required. If you don't have one, we will have some available. This event will also be incorporating the 75th anniversary and will serve as one of the requirements for the 75th Anniversary Award.

There will be a contest for the best decorated bike. The theme is our 75th Anniversary. Please make sure your decorations display our theme and do not impede the functions of your bikes. **Decorate safely.**

June 24 Trip to Topeka to visit the Capital

We will be meeting at the church at 7:15 a.m. This is a 2 ½ hour drive so Bruce is hoping to put something together for the scouts. We have a tour planned at 11 a.m., lunch at noon, Courthouse tour at 1 p.m. and back on the road by 3 p.m. We will need a permission slip for each scout. We are also planning a tour of the governor's mansion. Inquiries are being made to purchase a patch for the boys. The adults may also purchase additional patches. We need to get an idea how many will be needed.

June 23 Orientation for Day Camp at 7 p.m. Notices will go out to Kendall and John to attend.

August 14 is the pool party with Pack 776.

General Information: Bruce Anschutz

We received a lot of positive feedback on our graduation at the May Pack Meeting. Everyone seemed pleased with the ceremony.

There was discussion concerning the lack of uniform supplies at the Council Shop for boys who required neckerchiefs. Dale will be checking with the Council to see if we could have some supplies displayed at the Pack Meeting. This would allow the boys the opportunity to verify their sizes for shirts. Parents could place an order for neckerchiefs and slides and purchase them at the Pack Meeting.

If a scout earns a belt loop more than once, it will be recorded. However, the Pack will only provide the first loop. The family will be able to purchase any subsequent loops.

We also need an interpretation concerning Webelo's activity requirements. The handbook states that the belt loop must be earned as a Webelo. If it was previously earned prior to becoming a Webelo, will the scout have to earn it again or will they meet the requirement if it was earned as a Wolf or Bear?

Don't forget the fundraising event to fund the new track for Pinewood Derby. Pack 775 and 776 will be purchasing the track jointly. One of the suggestions was to have a derby race with a cost per car entry. We will keep you informed of the final decision.

Popcorn for the upcoming sales will include changes in the kettle popcorn and cheese popcorn.

Plans are being worked on for school night. Information will be available on the website.
