

Cub Scouts Pack 775

<http://www.goddardkansas.us/pack775/index.html>

Committee Meeting June 2, 2006

Present: Bruce (Cub Master/Den 14), Dale (Treasurer), Scott (Webmaster), Rod (Den 15), Kendall (Den 14), Doug (Den 13), Chuck (Den 13), Vicki (Sec'y/Den 12), Aleta (Awards/Den 12), Mike (Den 7).

Announcements: Bruce

We received positive feedback from scouts and parents about the last Pack Meeting with the Indian theme. We will start thinking about next year and what theme we may want to use.

Bruce and Chuck will be with the Pack two more years. Bruce indicated that he will be stepping down after next year so he can spend the last year with his scout. The plan is to have a library of information available to the next group of leaders.

This has been a very successful year for the Pack. We have been successful in acquiring the new track, the plan for a Pack laptop, scholarship fund, and great leaders.

Treasurer's Report: Dale

Scout Shop:	\$Unknown
Scholarship:	300
Track Fund:	275
Rockets:	350
T-Shirts:	300
Cosmosphere:	288

Pack Balance: \$4,525

Cub master's Report: Bruce

The Outdoor Webelos Training was very informative. They received an 18-month calendar, which will be shared with other leaders. The calendar will be made available on the web page. Please check it out.

Roundtable: Aleta

Day Camp training and Advancement training were provided. Aleta attended the Advancement training. We will still be required to complete the award entries into the Pack master program. The information will be printed and turned in to the Council.

Pampered Chef Fundraiser: Tammy

Sales totaled a little over \$2,000. This amounted to a total of \$541.60 raised for the laptop. Den 10 was the top seller at \$649. We now have enough for our laptop. Scott will work with Chuck to identify the PC specifications. Aleta stated that there is a sale on PCs held the 2nd Saturday of each month. This could be a good opportunity for us.

Thanks to the boys for their sales and to Tammy for coordinating this fundraiser.

Past Business:**Summer Camp: Dale**

Volunteers are needed to help with the morning check-in. If anyone will be available the morning of June 15, 16, and 17, please call Dale.

Pack T-Shirts:

Pack T-Shirts were distributed at the meeting.

Walk with Wild – Kendall is the contact for this event. There is a 1-2 mile walk around the park. Please make sure you check-in for credit toward the Summertime Activity Award. The event is from 5:00pm to 9:00pm.

Cosmosphere and Waterpark – A general e-mail will come out with information to the leaders concerning the status of permission slips from each Den. The permission slips are available on the web page. We ask that leaders start collecting the funds and any missing permission slips to make it easier to compile.

ACTION: Follow up on any Permission forms (cubs only) still. Bring sack lunch and spending money to the event.

Rockets – We plan to order 60 kits. We will meet at the Community Center. It will take about 90 minutes to construct the rockets. Drinks will be provided. We expect to finish between noon and 1 p.m. All supplies will be provided. The price will include all materials.
