Christmas party (December 17) – Budget is \$250 with the \$100 charity (coming from the scholarship fund excess) will be for a charity group called Kari's Gifts which provides coloring books and other surprises for kids in the hospitals. The host group for next year still needs to volunteer soon. Daniel will check with Chuck about the PWD kit cars for the party.

Future Business:

Blue and Gold Banquet

Bruce is contacting Karen about the catering

The Wichita train club has been contacted and reserved for the date.
There is no charge, but free will donations are accepted.

Pinewood Derby

Discussed announcing at the next pack meeting that if anyone is interested in wood shop sessions to help make cars that we could decide upon time and date options to join up at someone's shop and make the cars together.

The district asked if we could host the district PWD tournament on April 19th. This isn't a fundraising opportunity and since our PWD team will be in transition due to advancements we aren't sure of our decision yet. We did discuss the mall would be a consideration to run the car races to recruit some by-standers.

Awards to Andrea Harrison by 11/12.
